

Item 2 - Submission from Member Lacey:

Some radio stations require weeks advance submission of Public Service Announcements. KDEE 97.5 FM is one of the stations I would like to contact for submission & they require 3 weeks advance submission from the event date to be posted in their online community events board plus they can make on air announcements. I can also reach out to 101FM, and maybe our committee members have suggestions for other stations or resources, as well as you. Thank you.

Draft PSA

If you or someone you know have been impacted by incarceration, mental health or substance use disorders or been a victim of a crime in Sacramento County, the Community Corrections Partnership Advisory Board's Community Engagement Committee would like to hear from you. Have you or your loved ones been helped by county or community services or had difficulty accessing treatment and services? Your Voice Matters to us. Share with us your thoughts and experiences, and learn about AB109 and Proposition 47 funding that support community based organizations and county programs that serve our community. Join in person or by Zoom one of our monthly meetings. The next meeting is:
